A Louisiana Office of State Fire Marshal Plan Review of a building's:

- National Fire Code Compliance
- Americans with Disabilities Act Compliance
- American National Standards Compliance
- UL Fire Resistance Compliance and
- Energy Code Compliance

is required for all buildings (except new or renovated one or two family dwellings) which are to be constructed, renovated, or repaired, or the occupancy changed. A change of occupancy is determined by the classifications of the Life Safety Code; NFPA 101.

The plan review application for this can be found here:

http://sfm.dps.louisiana.gov/doc/pr/Plan_Review.pdf

and more information on applying online or other information can be found here:

http://sfm.dps.louisiana.gov/pr_info.htm

Once this is completed, a Building Code plan review by our office is also required.
